

Dancin' in a Wiccan Wonderland (Unknown)

<https://tinyurl.com/wiccanwonderland>

Pagans sing, are you listenin'
Altar's set, candles glisten
It's a Magickal night we're having tonight
Dancing in a Wiccan Wonderland

Blades held high, censer smoking
God and Goddess we're invoking
Through Elements Five we celebrate life
Dancing in a Wiccan Wonderland

In a Circle we can light a Yule Fire
And await the rising of the Sun
It's the Great Wheel turning for the new year
Loaded with abundance and great fun

Queen of Heaven is in Her place
Triple Goddess now the Crone face
Above and below, She's the Goddess we know
Dancing in a Wiccan Wonderland

(pause)

Later on by the fire
Cone of power
Getting, getting higher
It's a magical night we're having tonight
Dancing in a Wiccan Wonderland

Drumming,
Cauldron stirring
While the fire's burning
Dancing in a Wiccan Wonderland

Jingle Bells, Cast Your Spells (Karina Skye)

<https://tinyurl.com/jinglespells>

CHORUS

*Jingle bells, cast your spells
Make the whole world gay
Oh how fun is is to fly
on broomstick with the fae*

*Jingle bells, cast your spells
Make the whole world gay
Oh how fun is is to fly
on broomstick with the fae*

Flying through the snow
on broomstick with the fae
With our wands we go,
casting all the way

The spells out loud we sing,
to make our spirits bright
What fun it is to fly and make
the whole World smile tonight

Oh...

CHORUS

Oh how fun is is to fly
on broomstick with the fae...

Oh how fun is is to fly
on broomstick with the fae...

One day or two ago
I thought I'd work this night
and soon Miss Fairy Bright
was flying by my side

The World was sad and down
Misfortune all around
We mix Love and Compassion dust
to spread all over town

Oh...

CHORUS

Now the World is Bright
Every one Old and Young
Boys and Girls tonight
Will sing this spell in song

Just get a child to smile
Mix in a sunny day
Stirring for a while
put your love in all the way
And...

CHORUS

Santa Claus is Pagan Too (Emerald Rose)

<https://tinyurl.com/santapagan>

(Sleigh bells)

CHORUS

(oh) Hey, Santa Claus is Pagan too
Just like all the rest
And if you are a merry witch
He'll bring you all the best

So get that star up on the roof
And bake those cookies too
Cause Christmas time is really Yule
And Santa's Pagan too

He's got that Buddha belly
And his Pops the Holly King
You've dressed him in that British Coat
The caps a Nordic thing

You took the horns right off his head
And stuck them on his deer
But he still flies high like Jupiter
With a belly full of beer

CHORUS

(Sleigh bells)

Now history says Christ was likely
Not a Capricorn
But if you want to share our Yule
We don't care when he's born

Come celebrate the dawning

Of the sun king's bright rebirth
And if you practice what you preach
We'll all have peace on earth

CHORUS

(Sleigh bells)

Now, Santa's way more jolly
Than most Christians would require
And if he weren't so busy
He'd be dancing 'round this fire

Yeah, you can call it Christmas
You've got us way outgunned
But just you wait 'til Beltaine
Then we'll see who's havin' fun!

Hey/woo!

CHORUS

HEY!

Santa Claus is Pagan too
Just like all the rest
And if you are a merry witch
He'll bring you all the best

So get that star up on the roof
And bake those cookies too
Cause Christmas time is really Yule
And Santa's Pagan... TOO!
